

601.2 **Custodians (Negotiated 8-18-11)(Negotiated 8-17-12)**

Custodians shall be responsible for the safe and satisfactory condition of the buildings and grounds and all machinery and equipment relating to heating, plumbing, ventilating, and operation of the school except such equipment or machinery used for instructional purposes and shall be under the immediate direction of the Director of Support Services and under the general supervision of the principal.

Custodians shall devote themselves to the care, cleaning, heating, ventilating, and operation of the building and equipment and the care and upkeep of the grounds and shall open and close the buildings as directed by the Director of Support Services or by the principals, and shall assist principals and teachers in every way possible and perform such other duties as may be assigned by the school principal, or the Director of Support Services, and shall at all times comply with rules and regulations of the local health office and the State Board of Health.

Custodians may be required to be on duty during evenings for affairs sponsored by the school or when any buildings are rented for other purposes, and shall conform to all rules relating to the use of school buildings established by the board, and assist the staff in enforcing such rules.
