

Standards Grading in PowerTeacher PRO - can do assignments assigned standard(s), or can wait & put in just standard points at end

Log in to PowerTeacher as normal to take attendance (www.portal.bixby.org/teachers)

Click on the link at left top under Navigation that reads PowerTeacher PRO

The screenshot shows the PowerSchool website interface. On the left, there is a 'Navigation' menu with the 'PowerTeacher Pro' link circled in red. The main area displays 'Current Classes' with a table of classes. The top right shows the user's school and term.

Class	Term	Grade	Teacher	Attendance	Grading	Standards	Assignments	Reports	Tools
P1(A)	Essential Elements Kindergarten	PowerTeacher Pro							
AM(A)	AM Attendance	PowerTeacher Pro							
PM(A)	PM Attendance	PowerTeacher Pro							

You are now in the gradebook

Select a class & term by clicking on the blue bar in middle of screen at top

Select a term by clicking on the drop down list at top right under the teacher name

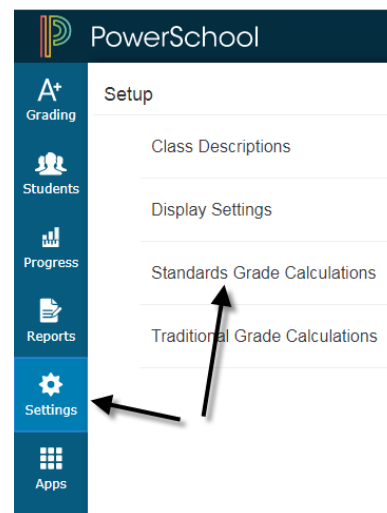

The screenshot shows the PowerTeacher PRO gradebook interface. The top navigation bar includes a blue bar with the class and term 'P1(A) Essential Elements Kindergarten - 17-18'. Below this, there is a 'Pick Class & Term' label with arrows pointing to the class and term dropdowns. The main area shows the 'Assignments' section with a warning that 'S1 has not started.' The right side shows a dropdown menu for the term 'S1' with options for '2009-2010', '2017-2018', 'Semester 1', 'Quarter 1', and 'Quarter 2'. Another dropdown menu shows the term 'S1' with options for 'F17 (8/17/2017 - 6/8/2018)', 'S1 (8/17/2017 - 1/2/2018)', 'S2 (1/3/2018 - 6/8/2018)', and 'All'.

Pages 2-9 help you do an assignment & assign standard(s) to the assignment. Pages 10-11 show you how to go directly to the standard & enter 3,2,1 points

Set up your gradebook for Standards

Click on settings at left

Then click on Standards Grade Calculations

Choose Most Recent Scores for your default calculation

Then under Most Recent Scores

Calculation Number of Scores choose 3

Then edit those 3 to all be 0.33 weight, then save

▼ P1(A) Essential Elements Kindergarten

Standards Grades

Calculate standards grades from assignment standards scores.

Default Calculation: Most Recent Scores

Most Recent Scores Calculation

Set how many recent scores to include in the calculation, and their relative weighting.

Number of Scores: 3

SCORE	WEIGHT	PERCENT
1 (Most Recent)	0.33	33.33%
2	0.33	33.33%
3 (Least Recent)	0.33	33.33%

Calculating Higher Level Standards

Automatically calculate higher level standards grades from lower level standards grades.

20.				

MT.4 = COUNT TO 50
 SE.1 = FOLLOWS DIRECTIONS
 SE.2 = LISTENS ATTENTIVELY

Got an 8/10 on the assignment, but the count to 50 wasn't right, but followed directions, and listened attentively. So could change the MT.4 to a 2 if needed instead of a 3.

Start entering points in the Score column

Notice that the standards automatically calculates & fills in

(You can override these if needed)
